Please participate in the Friends Helping Friends fundraiser called Reading for Research. You can help make a difference in helping us find a cure for Spinal Muscular Atrophy or SMA. For more information on SMA and Reading for Research, visit www.miracleformadison.org

All you have to do is read a book or two or as many as you want and then collect pledges and sponsors for each book or each page you read. For more information, visit www.miracleformadison.org and click on Friends Helping Friends - Reading For Research!
