Dear Reading for Research Friend:

Friends help friends....

Thank you for being one of Madison's friends and for participating in Reading For Research. You will make a difference in Madison's life and other children and adults just like her by helping to raise money for Spinal Muscular Atrophy.

We have provided you with all of the material needed to get started on our website www.miracleformadison.org
These include:

- sponsor/pledge sheet
- Receipt/thank you sheets for your sponsors
- Booklist sheet to keep track of all your books you read
- Bookmark sheet

Now it is up to YOU. Start by setting a deadline and the number of books or pages you want to read. Print out all the sheets provided for you. Take the sponsor/pledge sheet and ask family, friends, neighbors, coworkers to pledge money for each book or pages you will read. You can even ask them to give just \$1 or more for reaching your goal. Give your sponsor a receipt/thank you sheet so they know your goal and deadline. Once you have reached your goal, collect the pledges from your sponsors (ask your parents to write a check for any cash you receive) and mail them to:

Miracle for Madison & Friends
6166 Enke Court
Dublin Ohio 43017

Make sure all checks are made payable to:

Miracle For Madison OSU SMA

and please write **Reading For Research** at the bottom of your check.

When we receive YOUR donations from Your hard work, we will mail you your Reading For Research Certificate that you can frame. This will confirm your participation in a wonderful fundraiser that:

- encourages children to read as a leisure time activity
 - promotes literacy among children
 - provides education about disability awareness
 - reinforces the importance of community support by reading for others
- and most importantly raises needed dollars to fund SMA Research for Madison and Friends.

Madison is always looking for a good book to read. Email us the name of the books you are reading or the link to an E-book and we will list the best ones on our site so other kids can enjoy them too.

Please feel free to contact us at miracleformadison1@mac.com with any question you may have.

Sincerely,
Everyone at Miracle for Madison & Friends
